

Interkulturelle Philosophie und ... Somaesthetics

Somaesthetics and Philosophy as a Way of Life: On Camera

Richard Shusterman

Vortragsreihe: Interkulturelles Philosophieren - Theorie und Praxis

Montag 13.5.2024, 11:30 Uhr

Universität Wien, HS 1, Tiefparterre Stiege 9 Hof 5, 1010 Wien
sowie online (sh. Zugangsdaten unten)

To what extent can philosophy be reclaimed as an embodied art of living and take advantage of visual rather than written expression? Experimentation in performative visual media seems especially appropriate for the philosophical field of somaesthetics. This presentation introduces some examples of my recent work in film as part of my effort to revive the idea of the philosophical life while expanding philosophy's reach and public.

Richard Shusterman is the Dorothy F. Schmidt Eminent Scholar in the Humanities at Florida Atlantic University and Director of its Center for Body, Mind, and Culture.
