**MINOR IN BUSINESS
 PROGRAM APPLICATION**

Application to the program requires that this form be completely filled out and a cover letter attached. The cover letter must clearly describe previous and/or current education and experience, and motivation for choosing the Minor in Business Program.

Minimum Admission Requirements:

A minor in Business is available to students pursuing a non-thesis master's degree who wish to combine technical coursework in engineering or computer science with a sequence of courses designed to provide a broad background in modern business concepts. Thesis students may participate with prior approval of the advisor.

The program is open only to degree-seeking students who are admitted to a master's program with one of the following majors: Artificial Intelligence, Biomedical Engineering, Computer Engineering, Computer Science, and Electrical Engineering. The minor is awarded upon graduation from the graduate program at FAU. Completion of both master's program and the Minor in Business requires a minimum of 36 credits.

Note: Official Transcript required from all applicants.
