c. The New Combined Degree Program for the BA or BS in Biological and Physical Sciences to MS in Ocean Engineering was approved unanimously by the committee contingent on the addition of crosswalk language to the catalog verbiage.
d. The New Combined Degree Program for the BS in Mechanical Engineering to MS in Artificial Intelligence was approved unanimously by the committee contingent on clarification of the language pertaining to leveling coursework.
e. The New Program Request for the Graduate Certificate in Aerospace Engineering was approved unanimously by the committee.
f. The Program Change for the Combined BS in Computer Engineering, BS in Computer Science & BS in Electrical Engineering to MS in Artificial Intelligence was approved unanimously by the committee.
g. The Program Change for the Minor in Business was approved unanimously by the committee.
h. The Program Change for the MS and Certificate in Biomedical Engineering was approved unanimously by the committee.
i. The Program Change for the MS in Artificial Intelligence & MS in Biomedical Engineering with Minor in Business was approved unanimously by the committee.
j. The Program Change for the MS in Civil Engineering was approved unanimously by the committee.
k. The Program Change for the MS in Computer Science and MS in Computer Engineering was approved unanimously by the committee.
l. The Program Change for the MS in Data Science and Analytics was approved unanimously by the committee.

m. The Program Change for the MS in Mechanical Engineering was approved unanimously by the committee.

n. The Program Change for the MS with Major in Artificial Intelligence was approved unanimously by the committee.

o. The Program Change for the MS with Major in Computer Engineering was approved unanimously by the committee.

p. The Program Change for the MS with Major in Computer Science was approved unanimously by the committee.

q. The Program Change for the MS with Major in Mechanical Engineering was approved unanimously by the committee.

r. The Program Change for the PhD in Mechanical Engineering was approved unanimously by the committee.

s. The Program Change for the PhD with Major in Computer Engineering or Computer Science was approved unanimously by the committee.

Medicine

a. The Program Change for the MS with Major in Biomedical Science was approved unanimously by the committee.

Nursing

a. The Course Change Proposal for NGR6673: Epidemiology for Advanced Nursing Practice was approved unanimously by the committee contingent on removing the check mark from the "Remove" box under the ASL section on the cover sheet.

b. The Course Change Proposal for NGR7945C: DNP Project and Residency was approved unanimously by the committee contingent on removing the check mark from the "Remove" box under the ASL section on the cover sheet.

c. The Course Change Proposal for NGR7945L: Residency in Advanced Nursing Practice was approved unanimously by the committee contingent on removing the check mark from the "Remove" box under the ASL section on the cover sheet.

Science

a. The Course Change Proposal for PSB6345: Neuroscience 1 was approved unanimously by the committee.

b. The Course Change Proposal for PSB6346: Neuroscience 2 was approved unanimously by the committee.

c. The New Combined Degree Program for the BA in Health Science to MS in Exercise Science and Health Promotion was approved unanimously by the committee contingent on the addition of a more detailed flight plan.

d. The New Combined Degree Program for the BS in Exercise Science and Health Promotion to MS in Exercise Science and Health Promotion was approved unanimously by the committee contingent on the addition of a more detailed flight plan.

e. The New Course Proposal for MTG6256: Applied Differential Geometry was approved unanimously by the committee.

f. The Program Change for the Combined BS/MS with Major in Biological Sciences was approved unanimously by the committee.

g. The Program Change for the MA with Major in Psychology was approved unanimously by the committee.

h. The Program Change for the MS in Exercise Science and Health Promotion was approved unanimously by the committee.

i. The Program Change for the Neuroscience Certificate was approved unanimously by the committee.

j. The Program Change for the PhD in Integrative Biology was approved unanimously by the committee.

k. The Program Change for the PhD with Major in Complex Systems and Brain Sciences was approved unanimously by the committee.

l. The Program Change for the PhD with Major in Experimental Psychology was approved unanimously by the committee.

At this time, a motion was made by Chris Beetle, GPC Chair, to extend the meeting for 30 minutes.

V. Discussion Items
  A. Discussion of memo with proposed changes to International application filing dates – Jan Macko, Dir., Graduate Admissions and Enrollment Management
