GRADUATE COLLEGE

NOV 25 2019

# Civil, Environmental and Geomatics Engineering

## Master of Science with Major in Civil Engineering

### Admission Requirements

All students must comply with the College's admission requirements noted under the [Master's Degree Program Information](#) header above. Once students meet all College requirements, all applications are reviewed on a case-by-case basis. Students with non-engineering bachelor's degrees, click [here](#) for additional requirements. Students are normally admitted to the Master of Science in with Major Civil Engineering program if they:

1. Possess a baccalaureate degree in Civil Engineering or a closely related engineering field. Students with foreign credentials are required to have a general, not course-by-course, evaluation of their credentials. A GPA evaluation is not necessary. Foreign credentials are evaluated by an independent evaluation service that is a member of the National Association of Credential Evaluation Services (NACES). For a list of member evaluation services, please visit the [NACES website](#).
2. Have achieved a 3.0 (on a 4.0 scale) grade point average in the last 60 credits of undergraduate work;
3. Have taken the Graduate Record Examination (GRE). There is no minimum required score. Applicants with a Civil or Environmental Engineering bachelor's degree from any ABET-accredited program ~~in the United States~~ are not required to take the GRE. Applicants who have passed Fundamentals of Engineering (FE) are not required to take the GRE;
4. Students with non-engineering backgrounds are required to take the GRE and remedial coursework as recommended by the CEGE graduate committee;
5. Have demonstrated proficiency in both written and spoken English. Students from non-English-speaking countries are required to take the Test of English as a Foreign Language (TOEFL) and achieve a score of 550 or 213 (computer-based);
6. Agree to abide by the graduate admission requirements of the University as published in the University Catalog;
7. Distance Learning students must comply with the College of Engineering and Computer Science Distance Education guidelines noted under the [Master's Degree Program Information](#) header above.
