Removing the M.Ed. German (non-cert); M.Ed. Music (non-cert); M.Ed. TESOL (non-cert); M.Ed. Elementary Ed. k-6 (non-cert) will not affect the courses or curriculum in the ESE Department. Good luck.

Subject: Program Removal Notification

Dear Michael, Paul, Barbara and Bob,

Patty has asked at the bequest of the registrar's office that CCEI formally remove a number of defunct programs connected to our department. After communicating with Maria Jennings in the registrar's office I learned there is a form to complete for each program and part of the form requires other department chair comments who "might be affected by the change". Thus, similar to a course change I require your feedback to attach to the submission before it proceeds to the College GPC.

The four programs in question include: M.Ed. German (non-cert); M.Ed. Music (non-cert); M.Ed. TESOL (non-cert); M.Ed. Elementary Ed. k-6 (non-cert). The first three programs are completely inactive and the elementary education program was never part of the department. If you could send your comments by this Friday I shall be indebted.

With thanks,
Emery

Emery,

I guess I'm getting old! I don't remember completing a form.

Teaching and Learning has no objections.

Barbara
