	Department Nursing College Nursing	

Program Name PhD program in Nursing	<input type="checkbox"/> New Program <input checked="" type="checkbox"/> Change Program	Effective Date <small>(TERM & YEAR)</small> Fall 2019
---	--	--

Please explain the requested change(s) and offer rationale below or on an attachment

Deletion of 2 out of 3 cognate courses

Currently students are required to take three cognate courses. Two courses will be eliminated in the proposed revised PhD curriculum to streamline the program. This change is consistent with other PhD in nursing programs across the country and the change will improve the PhD program competitiveness.
