

**Interfolio Form for Selecting the Composition of the P&T College Committee  
College of Social Work & Criminal Justice 2020-2023**

The MOU for the College of Social Work & Criminal Justice (SW-CJ) states that Current CDSI promotion and tenure guidelines will be used for the new College until new guidelines are developed. When the new criteria are adopted and approved, faculty submitting applications for tenure and/or promotion within the subsequent three academic years (2020-2023) may choose to be evaluated based on the old or new criteria. Effective academic year 2023-2024, only the new, SW-CJ criteria will apply.

The CDSI promotion and tenure guidelines state that the P&T college committee is comprised of 5 faculty (one from each school – Architecture, Criminology & Criminal Justice, Public Administration, Social Work and Urban & Regional Planning).

The College of Social Work & Criminal Justice voted and approved the composition of the new P&T college committee to be 4 representatives, two from each of its two schools.

Faculty going up for promotion and tenure in 2020-2021, 2021-2022 and 2022-2023 have the option of choosing which committee composition they would like to go up for promotion under. Please indicate which option you would like to use for going up for promotion and/or tenure below by initialing next to your choice and by signing and dating the form at the bottom.
