## 2 YEAR FLIGHT PLAN

### Degree: Bachelor of Arts Major Multimedia Studies – Film, Video and New Media

This flight plan is created for students transferring to FAU and pursuing a Bachelor of Arts degree in Multimedia Studies: Film, Video and New Media.. This flight plan assumes that the student has transferred with an AA degree (60 credits) from a Florida Public Institution and has met all necessary entrance requirements with their AA degree and has satisfied the equivalent of FIL 2000 Film appreciation.

Completion of the full degree on the Davie campus includes both face to face and online courses. As the Davie campus is the principal location for most of the School of Communication and Multimedia Studies production facilities, students seeking a Film, Video and New Media concentration will find substantially more face to face course availability “Production” path of FVNM.

While neither DIG 3305C Fundamentals of 3D Computer Animation nor RTV 3531 are required they each serve as gateway pre-requisites for advanced production courses in their respective area of specialization. It is recommended that students consider taking DIG 3110 Fundamentals of Multimedia to satisfy the “Production Fundamentals” requirement of the degree and then take either DIG 3305C or RTV 3531 in order to make particular production courses available if they wish to specialize in production.

FAU is committed to your success as a student. One way we define student success is efficient and effective progression through your degree program.

This Flight Plan is a tool to assist you in planning the courses you should complete and the milestones you should reach during your undergraduate studies so you may graduate on time. It is our intention that you complete this planning tool in *collaboration with an academic advisor* to ensure good understanding of:

- Which graduation requirements you have satisfied
- Which Intellectual Foundations and elective courses match your career plans
- How to balance coursework with your other responsibilities (e.g., employment) and optional activities (e.g., mentored research, study abroad, student organizations, leadership)
- How to get the most from your academic experience at FAU

Your advisor will help you identify what additional milestones apply to you, as well as how you may even graduate early or enter an accelerated graduate program. If you have any questions at all about your FAU Flight Plan, feel free to contact your advisor for assistance. Advisors are always here to help!

### Academic Advising Professionals

<i>College/Program Advisor –</i>	<i>Boca Raton Campus</i>
Office Location:	Arts and Humanities Room AH 213

### **Tips for Success**

Meet with your advisor at least once a semester.

Meet with your Business Internship and Career Advisor to apply for Internship courses early.

Monitor your progress in your courses; “check-in” with your instructors regularly!

Check your degree audit every semester.

Stay aware of important deadlines.

Take advantage of resources FAU has made available to you to help you succeed on your flight.
